

## Annual Picnic

**Angrignon Park, Tuesday, August 23, 2016, 1:00 P.M.**

Angrignon has the advantage of direct access from the Metro and has not yet been ruined, in spite of several new towers on the edge. We hope that Tuesday will not be a popular day for rock concerts and that the heavens will not open upon us like last year. There are many beautiful walks through the forest or around the large pond with squirrels and ducks for company. Basic needs only are catered for at the Metro or at the shack in the woods, so bring your own gourmet repast, champagne, etc. We will meet at 1:00 P.M. at Angrignon Metro, upstairs by the seats.
